

HOMEWORKER MESH ERGONOMIC OFFICE CHAIR

Simple, instant ergonomic support for homeworkers

Find your body perfectly supported as you work, with the Homeworke Mesh Ergonomic Chair. The slimline mesh back creates a striking design that promotes airflow and effective ergonomic support so that you can easily find a good working posture. Effortlessly modify the chair to suit you with an array of adjustments, including a twin level mechanism and backrest height adjustment. You also have the option to add height-adjustable armrests.

Other comfort-enhancing features include the ergo density moulded foam cushion and the double curved waterfall seat, which is designed to improve blood circulation in your legs. Whether your home office is carpeted or hard floor, there's a suitable caster option for you. Improve your comfort and productivity at home today with the Homeworke Mesh Ergonomic Chair.
